## RESIDENCE NIL-RATE BAND

Individuals with direct descendants who have an estate with total assets above the Inheritance Tax (IHT) threshold of £325,000 are most likely to be affected. An additional nil-rate band is being introduced for when a residence is passed on death to a direct descendant.

This measure will reduce the burden of IHT for most families by making it easier to pass on the family home to direct descendants without a tax charge.

The nil rate band and residence nil rate band will remain fixed at £325,000 and £175,000 respectively until April 2026. The phasing of the nil-rate band increases can be seen in the table below.

	2018/19	2019/20	2020/21	2021/22
Additional residence nil-rate band	£125,000	£150,000	£175,000	£175,000

The additional nil-rate band is £150,000 and is tapered away by £1 for every £2 that the estate exceeds £2,000,000
